Profile Summary

Versatile **Full Stack Developer** focused on **.NET Web API**, **Next.js**, and **Java**. Skilled in **Data Structures & Algorithms (DSA)** and **OOP**, with a broad technical base in **React**, **Node.js**, **Express**, and **Machine Learning**. Experienced with **SQL** and **NoSQL (MongoDB)** databases, dedicated to building scalable, high-performance apps using solid software engineering principles.

Education

Darshan University

Bachelor of Engineering in Computer Engineering (CGPA: 7.71/10)

Rajkot, Gujarat

2023 – 2027

B.A.P.S. Swaminarayan Vidhyamandir

Higher Secondary Certificate (HSC) PR (Science): 82.60%

Gondal, Gujarat

March 2023

Technical Skills

Core Development: .NET Web API, Next.js, Java, Data Structures & Algorithms (DSA), OOP

Frontend & Backend: React, Node.js, Express, Next UI, HTML/CSS

Database Management: MSSQL (SQL Server), MySQL, MongoDB, Entity Framework

Software & Tools: Git, Jenkins, CI/CD, RESTful APIs, C Programming, Python, Postman

Advanced Concepts: Machine Learning (ML)

Experience

GNWebsoft Pvt. Ltd.

Full Stack Developer Intern

November 2025 – Present

Rajkot, Gujarat

- Developed and maintained responsive web applications using **ReactJS** and **ASP.NET Core API** with **MSSQL** for robust, scalable data management.
- Designed and optimized **RESTful APIs** to facilitate seamless data communication between **SQL Server** databases and the client-side interface.

Darshan University

Python Teaching Assistant

November 2025 – Present

Rajkot, Gujarat

- Guided students in learning **Python Programming** fundamentals, focusing on data structures, algorithms, and software development best practices.
- Collaborated with faculty to design and evaluate hands-on coding assignments, strengthening students' foundational skills in logical problem-solving.
- Facilitated one-on-one mentoring sessions to bridge the gap between theoretical concepts and practical implementation.

Projects

OPD Management System | *NextJS, MySQL, Next UI, REST API*

November 2025 – Present

- Engineered a high-performance Outpatient Department (OPD) system using **NextJS** and **MySQL**, streamlining patient registration and appointment scheduling.
- Implemented a modern interface with **Next UI**, improving navigation efficiency and reducing the learning curve for staff.
- Optimized database queries in **MySQL** to manage large volumes of patient records, resulting in faster search results and improved responsiveness.

Quiz Management System | *ASP.NET Core, C#, Entity Framework*

September 2025

- Developed a scalable Quiz Management application using **ASP.NET Core**, allowing administrators to manage multiple-choice questions (MCQs).
- Leveraged **Entity Framework Core** for database interactions, ensuring a reliable backend architecture.
- Applied **ASP.NET Identity** to implement secure user authentication and role-based access control (RBAC).

Achievements

Solved **100+** problems on **LeetCode**, demonstrating proficiency in **Data Structures and Algorithms** including Arrays, Linked Lists, and String manipulation.

Recipient of the **MYSY Scholarship** for academic excellence, awarded by the Government of Gujarat for maintaining a high-standing CGPA in Computer Engineering.
